 Denise Meeves, Recorder, Crawford County Iowa

WILKE LAND SURVEYING INC. 401 1800th Street Panama, Iowa 51562 (712)489-2898

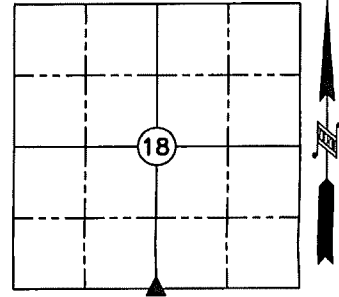

UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE

SECTION 18 TOWNSHIP 84N RANGE 41W COUNTY Crawford

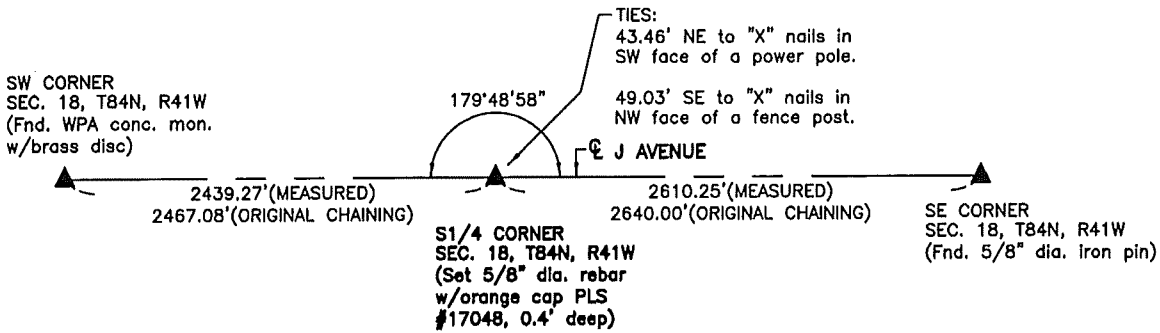

Reason for Certificate: Survey in the S1/2 SE1/4

Monument Description and Remarks:

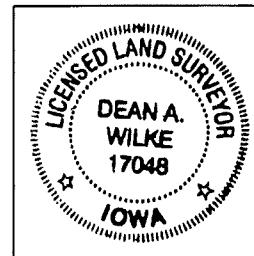

S1/4 CORNER - WPA notes at the Crawford County Engineer's Office do not show that a concrete monument was ever set at this location. Set a 5/8" diameter by 24" long rebar with an orange cap PLS #17048 (0.4' deep) in the center of J Avenue East & West and by proportioning the South line of Section 18 according to original chaining notes.

NOTE:
 A Sundquist Engineering survey crew was at the SW Corner of Section 18 behind us. They said that they would retie and file a new Corner Certificate for said SW Corner. I told them I would be setting the S1/4 Corner, but they straight lined the South line of Section 18 for their survey in the SE1/4 SE1/4 of said Section 18. They have not recorded a Corner Certificate or a Plat of Survey at the time this Corner Certificate was completed.

****ALL DISTANCES ARE HORIZONTAL****

I hereby certify that this land surveying document was prepared and the related survey work was performed by me or under my direct personal supervision and that I am a duly licensed Land Surveyor under the laws of the State of Iowa.
