1. Recyclables are generally a food, beverage, soap, cleaner container or a packaging box.
2. All recycling must be Empty • Clean • Dry. (rinse before placing in bin)
3. Keep Commingles (glass, cans, plastic) separate from paper & cardboard.
 - Remove plastic & packing from boxes and flatten.
 - Plastic must have a recycle symbol with #1 & #2 ONLY.

TRASH: diapers, laundry baskets, toys, inflatables, styrofoam, packing peanuts, broken baby items (car seats, bouncy toys, swings) tupperware, rubbermaid, garden hoses and flower pots.

ALL PLASTIC WITHOUT A RECYCLE SYMBOL & #1 & #2 is garbage.
